

I will not buy any more stamps I will start hunting and fishing outside of the state.
I will urge all other sportsman I know to do the same. This administration has done everything to drive the taxpayers of this state out, and at the rate you are going I will be on my way out. You will end up with a state of people with their hands out looking for something for nothing and there will not be any one left to pay taxes.

STOP GIVING SO MUCH AWAY AND LEAVE THE TAXPAYERS ALONE!!!!
